CREAM OF NEWS

Weather Forecasts.

Cool and clearing until Thursday, when it will become warmer and rain will follow in a very few days. After these rain storms it will turn much cooler and the month will likely end very cold for the season and light frost may not be a surprise. October comes in with a cool breath and very little more warm weather is down on the program for this year.

Assignment at Wallonia.

Mr. R. K. Dyer, a merchant at Wallonia, made an assignment of his stock of goods a few days ago, naming Hon. John D. Shaw, of Cadiz, as assignee.
